Pasquale Esposito

Building the Dream. . .

JW Knapen is a student from Bellarmine and is 16 years old.

JW suffers from incurable brain cancer.

But JW has a dream, and he would like to invite you to become one of his Dream Builders.

JW's dream is to build a house that will become a home for family members of other hospital patients who are being treated at Kaiser Permanente - Santa Clara.

He wants it to be a quiet and serene respite and a place where families can share their hopes and fears, their successes and losses, each providing the comfort that only a family facing cancer together can give to and receive from others suffering similar challenges.

Won't you join JW and other Dream Builders, the people of the JW House Fund, by attending a very special evening. The event will be held March 22, 2005 from 6:00PM to 10:00PM at the Plumed Horse Restaurant in downtown Saratoga. Owners Klaus and Greg Pache will provide a lovely gourmet meal, along with special wines and waters, so you can each touch the lives of this courageous and thoughtful young man and help build the Dream House of Hope in celebration of JW's life.

Please let Helen Owen (408-781-2321) know if you are able to attend this exclusive and special evening. Or, fill out and return the enclosed reservation card. We are suggesting a minimum donation of \$5,000 per couple to attend this event, and all of the proceeds will go directly into our million dollar goal.

Become a Dream Builder right now . . . donate \$5,000 or more and watch the JW House being built!
